**THE NEED:**

Few know that 85% of women prostitutes were molested as children, 50% started turning tricks as runaway/throwaway youth, or that prostitutes live desperate lives of addiction, disease, violence and murder. Mary Magdalene Project (MMP) is the only nonprofit in Southern California existing solely to assist women prostitutes and their families out of prostitution, and we’ve been at it nonstop since 1980. Without help they have very little chance of escape. We provide safety, food, clothing, shelter, health care, clinics, education, job training, childcare, transportation and possibilities where none before existed. For most, we are their last chance out.

**OUR GUESTS:**

We anticipate more than 250 guests including business and community leaders, local officials, educators, volunteers and friends will attend this celebration.

**THE EVENT:**

Join us for an evening in a historic hotel still rumored to be haunted by the ghosts of Marilyn Monroe and Montgomery Clift.

**PROMOTION:**

Promotional activities will include media, press releases, newsletter features and website visibility.

**TICKETS:**

\$175 per person.
