- HONORING:** 30 years of success in our singular, extraordinary mission. Share our pride in Laura, who 30 years ago walked the streets selling herself, but today is a successful entrepreneur and businesswoman, mother, wife and Girl Scout leader. Or Lisa, who with our help 20 years ago stopped turning tricks for her habit to become a successful artist. Or Jana, who we got off the streets 10 years ago and whose family we put back together. Join us to share our pride in the women who graduated yesterday, and those who will need us tomorrow.
